

# ZENDER 2.0

Starting February 14th, you can register to use ZENDER PH, Bahia's new communication platform.

How do I register to use ZENDER 2.0?

# How to Register for ZENDER 2.0

- Go to Play Store, Google Store, or the App Store (depending on the type of phone you have).
- Search for “zender PH.”
- Download the app and open.
- You will see a message: “Zender PH” Would Like to Send You Notifications.” Click on Allow.
- Click on “Crear Mi Cuenta” (Create My Account).

# How to Register for ZENDER 2.0

- In the field called “Correo,” enter your email address.

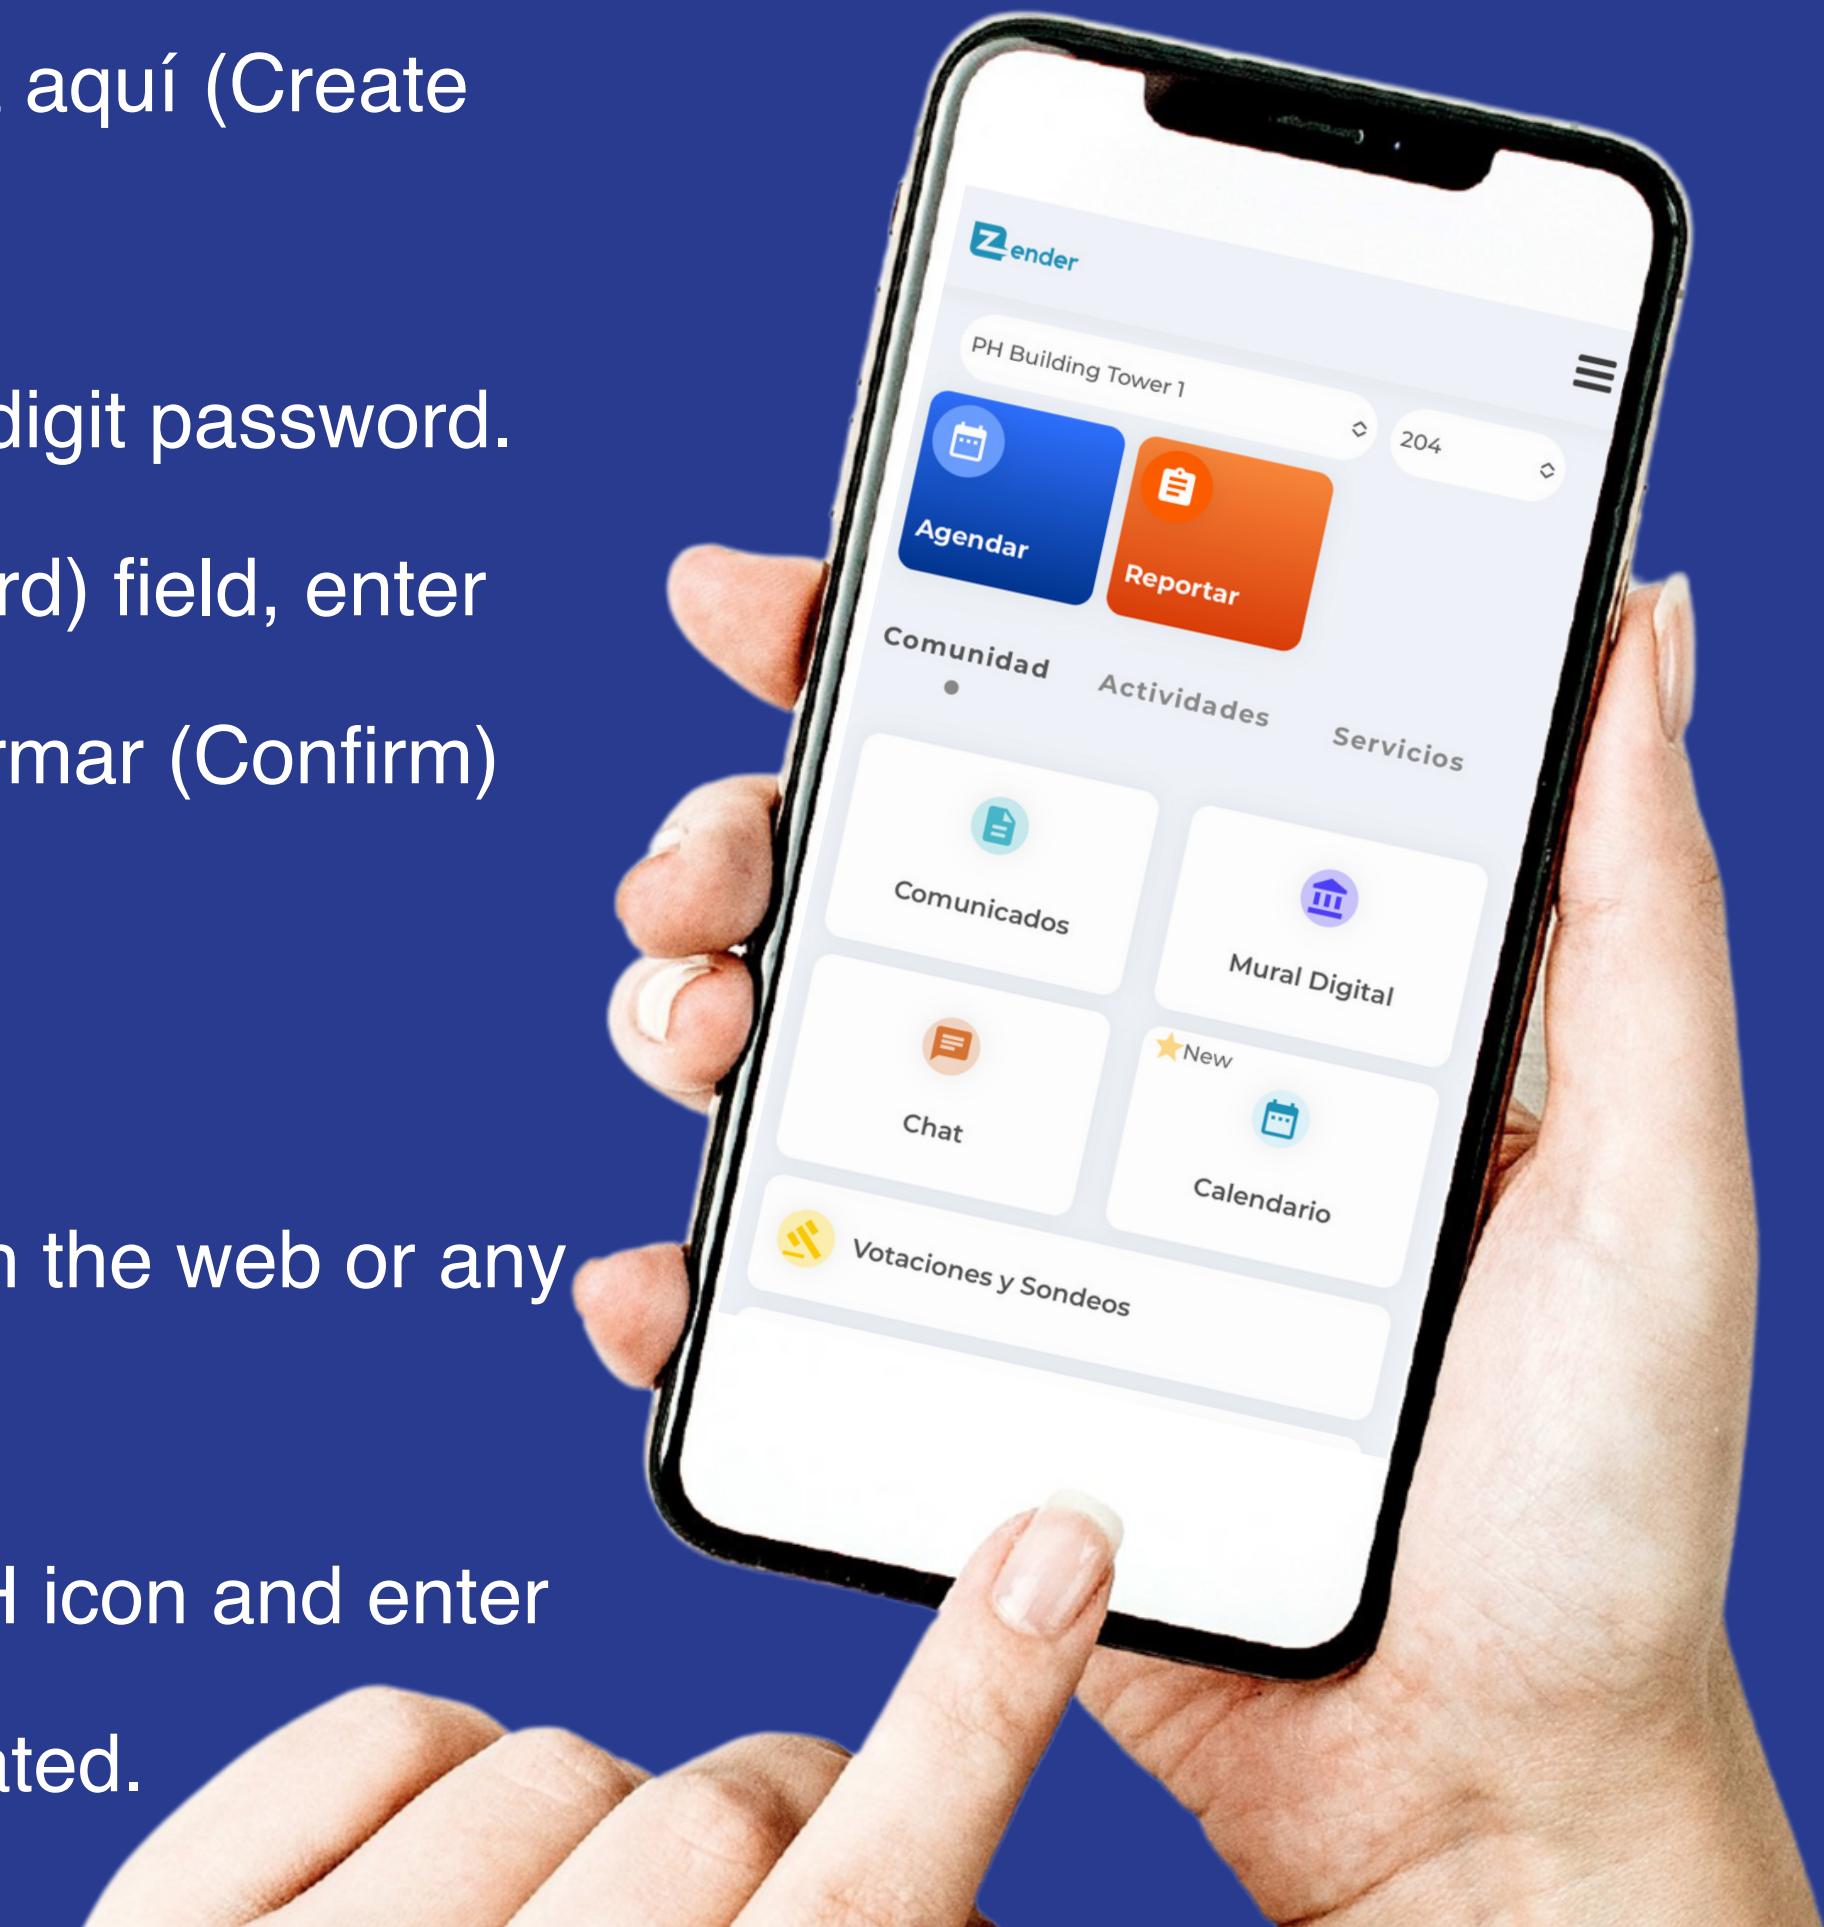

This email must be the same one that administration has to communicate with you, whether you are a resident or a tenant.

- Click on “Enviar enlace” (Send link).
- Check your email inbox. Look for an email from the ZENDER TEAM. The subject will say: Bienvenidos a la plataforma de Zender PH (Welcome to the Zender PH Platform).

# How to Register for ZENDER 2.0

- Click on the link that says: Crea tu contraseña aquí (Create your password here)
- In the Contraseña (Password) field: Enter a 4-digit password. In the Confirmar Contraseña (Confirm Password) field, enter the same 4-digit password. Click on the Confirmar (Confirm) button.
- You are ready to use ZENDER PH!!!
- Although you can access ZENDER PH through the web or any device, we recommend using your phone.
- To log on at any time, click on the ZENDER PH icon and enter your email address and the password you created.
