ZENDER 2.0

## How do I agency a package or delivery?

SCHEDULE PACKAGE

How do I schedule a package or delivery?

1. Press the "Schedule" button.

2. Select the "Delivery" button.

3. Complete the information on the type of delivery or package, date and approximate time of arrival.

4. Click on "Schedule".

Info de la Entrega

Agendar

Zender

5. If you want to review your scheduled deliveries or packages, you can go to "Activities" and then click on "My Deliveries". Your scheduled deliveries for "Today" will automatically appear.

6. Remember that you can always click on the funnel icon (filter) to see your parcels scheduled for the next few days, past parcels (history) or approved parcels (which the security has already confirmed received).
